

The majority of the external structure will be constructed of steel and insulation 'sandwiches' secured to a steel framework, together with a substantial amount of glass. Nevertheless there will be 12,000 visible bricks on view to the exterior of the building.

The interior walls will be constructed of 15,000 breeze blocks. The only wood going into the new building will be internal doors, skirting boards, and furnishings.

All our buildings and activity facilities are available for public hire. From Birthday and Anniversary Celebrations to Company Team Building Days From Half Day/Full Day Conference Facilities to Weekly Club and Group Meeting rooms. If you have an interest in this possibility please contact us through the address on this leaflet and one of our members will get back to you

Ever since the 1970's Fylde Scouts have operated a campsite and training facility in Heyhouses Lane, St. Annes, which over the last forty some years has benefited many thousands of children throughout the Fylde area, and beyond.

Today we have some 800 young persons within Scouting in our own District (with groups in Lytham, St. Annes, Warton, Freckleton, Kirkham, Wesham and Clifton).

Our Campsite and Dormitory accommodation each year caters for young people not only in Scouting, but also in many other youth organisations, such as Guides, Brownies, and Boys and Girls Brigades.

Our facilities include Camping, Climbing, Shooting, Archery, and all aspects of Scout Training within our 2.5 acres of woodland, and a further 2.5 acres of camping ground.
